SIMPLIFY YOUR DAY-TO-DAY  
OPERATIONAL RESPONSIBILITIES

## LOOKING TO SIMPLIFY YOUR CASH MANAGEMENT OPERATIONS?

Keeping cash available throughout your ATM network is critical to the success of your ATM channel and consumer interactions. Partnering with leading cash companies around the globe, NCR's Cash in Transit (CIT) Management Service allows you to out-task the day-to-day management of your cash services vendors to NCR. We manage schedules, deposit pickups, escalations and provide monthly reporting to keep you informed of your CITs performance.

### **A single point-of-contact to manage your day-to-day cash operations**

NCR can simplify your day-to-day operational responsibilities by managing the overall performance of your cash services. NCR's highly specialized agents work with the CIT to optimize the service provided to help provide your customers the cash they need when they need it.

### **Comprehensive Management Reporting**

On a monthly basis, NCR reviews and validates your cash invoices To confirm you are properly invoiced for the level of service delivered. NCR performs monthly reviews of these reports with each CIT. Areas for improvement are addressed and action plans to drive improvement are established.

### **Increased bank staff productivity**

Re-allocate your employee resources and increase their productivity while NCR manages your cash services operational issues. We'll handle all the day to day issues and our comprehensive reporting keeps you completely informed on the CIT Management actual performance related to the established Service Level Agreement (SLA).

### **Claims investigation**

In the event of a cash balance discrepancy, NCR's corporate security analysts investigate the loss and determine the responsible party. Depending on your engagement model, NCR then verifies and resolves those claims in a timely manner, providing you quick and easy closure.

### **Two Models to Suit your needs**

Based on your needs, NCR can take a direct or indirect contractual relationship with your cash services provider.

### **Bundle Cash Management**

By partnering with NCR to manage cash forecasting and CIT management, NCR can simplify day to day operational responsibilities, optimize cash in circulation while maximizing ATM availability and reducing cash delivery costs. NCR provides a single point of contact to manage the entire process. These complementary services give you a full picture of your cash and make certain that cash levels across the network are optimized, keeping your money working for you.
